VISION

At Costiero Shipping & Logistics LLP, we have a goal-oriented vision that clearly identifies where we're going and how were going to get there. With a view of being the leading provider of logistics solutions we continue to further develop our position as a global market leader in shipping and logistics solutions.

MISSION

We meet our customers demands for a personal and professional service by offering innovative supply chain solutions for global Sea, Air, and Road transportation as well as certain specialist services.

WE MEAN : MOVEMENT....

SERVICES

FREIGHT FORWARDING

Costiero Shipping & Logistics LLP today is one of the largest freight forwarder in India, offering freight and ancillary services through its own divisions for various cargoes. The Ocean Forwarding Division is a licensed Multimodal Transport Operator (MTO) providing end-to-end logistics solutions. With long years of operational excellence in freight forwarding, Costiero Shipping & Logistics LLP is well placed to handle large volumes of cargo including regulatory requirements.

AIR FREIGHT

Costiero Shipping & Logistics LLP air freight services focus on heavy weight global movement on a cost effective on a cost effective, time definite basis. Peak and seasonal needs are managed through a strategy that combines year round support of our core carriers, strong local relationships, and our global volumes. Costiero Shipping & Logistics LLP is the leading forwarder within the air freight industry.

RAIL FREIGHT

Rail transport can provide a cost-effective and convenient way to ship your goods, but whether it is reliable has always been a problem. In today's business world, where any delay can spell disaster, Costiero Shipping & Logistics LLP can be your competitive advantage-with a dependable, cost-effective rail option. Our rail services offer climate-controlled trailers for perishable products that need protection from the heat or cold, such as produce, flowers, poultry, beverages, etc. Non-perishable or general freight can also be handled with seamless efficiency. With the necessary experience behind us, we ensure your products will reach their destination on time while you reduce transportation costs.

SEA FREIGHT

Being an efficient international sea freight forwarder, we provide comprehensive services to almost all seaport locations. Our experienced associates are trained to guide you through the complexities of international shipping. We offer tailored programs to meet our clients full container load (FCL) and less than container load (LCL) requirements and transportation cost objectives.

SURFACE TRANSPORT

We provide standardized surface transportation services, with an assurance of safe handling of the goods. We aim to deliver the goods in flawless condition, thereby providing absolute satisfaction to our clients. We serve our clients with utmost sincerity and dedication, thereby rendering efficient and reliable services. Our road transportation services are widely appreciated by our clients and we have also received several positive responses for our timely services. We use the best vehicles for transporting the goods from one place to the other. As a result, we are reckoned as one of the best providers of road transport services in India.

LOGISTIC SOLUTION

Our international network allows us to handle shipments directly from terminal to terminal or even from door to door. We will find alternative transport solutions such as conventional ships, RO/RO ships barges and lighters for goods that cannot be transported in containers. Costiero Shipping & Logistics LLP meet your needs with cost-effective flexible services. We make a difference with LCL / FCL, contract management, vendor consolidation, multi-modal transportation, warehousing and distribution programs and purchase order management designed to increase your capability in global markets. We define logistics as the management of goods, information and financial transactions to ensure the timely and cost effective flow of inventory from suppliers to end consumers on a global basis.

MULTIMODAL TRANSPORTATION

Multimodal Transport services at Costiero Shipping & Logistics LLP is an effective chain that interconnects different links or modes of transport - Air & Sea, into one complete process that ensures an efficient and cost-effective door-to-door movement of goods under a single roof. Our comprehensive and high-capacity network allows us to provide you with a fast and flexible service. Our sea links allows us to fully serve customers with tailor made solutions to fit their specific door-to-door transportation needs, whether it is smaller consignments, part-loads or full-loads. Our Multimodal Transportation System works as a vital connecting link in our wide arena of Supply Chain Management System.

WAREHOUSE & DISTRIBUTION

Costiero Shipping & Logistics LLP has warehousing space in key locations across the country. As part of our basket of services enabling you to reduce overheads, increase efficiency and cut down valuable management time.

Our Warehousing Services Include

Reliable data-collection and reporting systems assures accurate information and visibility on inventories and order processing using state of the art Warehouse Management Systems (WMS) that can be interfaced with that of the customer. Storage, consolidation, re packing, documentation, labeling, invoicing, finished and spares inventory management, distribution and service support, cross talking are all services provided if required.

VALUE ADDED SERVICES:

DOOR TO DOOR DELIVERY

Costiero Shipping & Logistics LLP offers door-to-door delivery services for customers who want to simplify logistics management, reduce costs and minimize the risk of loss or product damage, while focusing on core business. By leveraging the breadth and reliability of the global network, Costiero Shipping & Logistics LLP can remove days from your supply chain, delivering goods from overseas directly to your desired destination. Your shipments can clear customs while still in the air enabling delivery by the end of the next possible business day, saving your time and money.

CARGO INSURANCE

While Costiero Shipping & Logistics LLP arranges for the transportation of your goods, it provides the owner of the cargo financial protection against all risks of physical loss or damage from any external cause. The insurance provides risk coverage for ocean, air and road freights. Insurance services from Costiero Shipping & Logistics LLP also provide coverage for stored goods at the company's warehouse. In the event of a loss or damage, the insurance surveyors are available for responsive and complete inspections. Costiero Shipping & Logistics LLP claim handling unit makes quick, fair and complete settlements. Cargo insurance provides extra peace of mind for the valued customers.
